EXPERIENCE

Founder & Developer

TopDeka

Sep 2024 – Present

San Diego, CA

- AI-powered platform for creating and discovering top ten lists across diverse categories
- Dynamic ad marketplace with real-time bidding and community-driven rankings
- Moderator system with automated payouts for content curation and community management

Gap year

Planned Career Break

Sep 2023 – Sep 2024

- Epic global adventures including Italy's iconic cities and coastlines, trekking Patagonia and cruising Ruta 40, island hopping in Southeast Asia & Japan, plus a coast-to-coast road trip across Canada.

Front End Engineer

Hawku

Jan 2022 – Sep 2023

San Francisco, CA

- Designed and spearheaded the frontend development of a multi-token marketplace from the ground up, delivering a scalable platform that streamlined transactions and enhanced user engagement.
- Designed and implemented a lightweight white-label design system that reduced onboarding time for new projects by 40% and improved design consistency across client platforms.
- Developed and optimized user-centric designs aligned with Hawku's strategic goals, enhancing user satisfaction and driving a measurable increase in marketplace sales.

Front End Developer

Affinity Development Group

Aug 2015 – Jan 2022

San Diego, CA

- Developed modular, responsive components for the Costco Auto Program and credit union websites, resulting in a 25% increase in conversion rates and a 20% reduction in page development time.
- Developed user-friendly, secure and highly functional interfaces.
- Refactor code to be WCAG 2.0 Compliant.

Web Developer/Designer

Recovery Brands

Feb 2015 – Aug 2015

San Diego, CA

- Created superior (above industry standard) conversion rate-focused landing pages and web sites featuring clear, focused calls to actions.
- Led the transition of company websites to fully responsive designs, improving mobile user engagement and reducing bounce rates. Delivered a perfect Google Lighthouse score post-redesign, reinforcing the company's technical excellence and supporting a profitable exit for its founders.

Web Developer/Designer

Weblisters

Apr 2013 – Nov 2014

San Diego, CA

- Designed and optimized landing pages for apartment communities that were in line with corporate branding guidelines.
- Designed marketing material for trade shows which included booth backgrounds, postcards, brochures etc.
